Are you looking for these attributes in your next apprentice?

If yes, contact **Australian Technical College – Northern Tasmania** (ATCNT) and get out of the recruitment queue today! Our 'industry leaders' of tomorrow are in our classrooms today. Employing a motivated young person into a trade apprenticeship is the first step in developing our future leaders.

Why wait for an apprentice to finish school before you employ them? Australian Technical College – Northern Tasmania provides a highly flexible delivery model designed to fit in with the requirements of the employer.

Each year of grade 11 & 12 ATCNT delivers, at **NO COST to you**, 120 days of training incorporating TCE and employability skills – all relevant to the trade.

In each year you have a highly valuable employee for 120 days and...

You may be eligible for Government incentives up to \$5500!

Call ATCNT today – Launceston Campus 6327 1777 or Burnie Campus 6432 6200
 or complete and fax back the Employer Expression of Interest Form (see reverse side)
